

JATC TRAINING

DEPARTMENT NEWSLETTER

Retired

I would like to take this time to inform you that Deborah Stanislav has retired from the JATC on August 31, 2017 but will continue to work for Todd McKeever at Laurel MCA. Debby has worked here at the JATC for approximately 15 years as a part-time Office Secretary. Her dedication and hard work will be sorely missed.

Please forward all OJT's, Weld and/or Medical Gas Braze continuities as well as any other communications to Dolly at lu354op@uanet.org or Chad at lu354tc1@uanet.org.

LU 354 Website

We are currently working on "overhauling" the website so that it will offer more information, such as: forms, upcoming events, photo gallery, newsletters from the Union Hall, Credit Union and the JATC, updated calendar, etc. Please give Dolly the time to make this website a site that you as a member will be able to know first-hand what is taking place, and when it's happening!! We will keep you informed in upcoming newsletters of the progress.

Upcoming Weld Tests

Weld Tests have been scheduled for:

October 19, 2017 – West Region – 5:00pm
October 28, 2017 – East Region – 8:00am

If interested, please send in a test request form; this will insure we have the correct materials for your test.

B-line Representative

Eric Grant is going to give a demonstration on hangers/supports and load ratings for strut and various support we use in the field at both regions. These are scheduled for Monday, October 9, 2017 at the West Region and on Monday, October 16, 2017 at the East Region. Both demonstrations will start at 6:00pm.

EPRI - West Region

The 5th Year Apprentice Class is currently taking the EPRI course on Tuesday evenings til November 18, 2017 from 6:00pm-9:00pm. If you are interested please call the office.

Medical Gas – East Region

The 5th Year Apprentice Class is currently taking this course on Monday evenings til November 13, 2017 from 6:00pm-9:00pm. If you are interested please call the office.

Weld Practice Schedule

East Region – Mondays-Tuesdays-Wednesdays at 6:00pm-9:00pm and the 2nd Saturday of every month from 8:00am-4:00pm.

Weld Practice Schedule - Continued

West Region – Monday thru Thursday
at 6:00pm-9:00pm.

“RMD” Welding

This process is not leaving; if you get some
time get up to the schools and learn the
procedure.

CPR / First Aid Training

This is mandatory for all 1st Year
Apprentices at the East Region; training has
been scheduled for Saturday, October 7,
2017 at 9:00am with Bill Edwards.

The West Regions 1st and 2nd Year
Apprentices training is scheduled for
October 14, 2017 and is mandatory.

These training sessions are open to all
members; call to reserve a spot.
