Valve Repair Recertification Class – for the members that have the Valve Repair Certification, there will be an 8-hour Valve Repair Recertification Class scheduled for Saturday, January 13, 2018 and will be held at the West Region JATC Training School. This recertification class will be held by Local Union #449 Instructor Frank Bovalino. Please contact the office to reserve a seat.

EPRI Rigging – Upcoming classes will be scheduled for January and February 2018 at both regions.

RMD Welding – With the Fairview Power Plant starting, Kiewit will be using this process. Training will be scheduled starting the first of the new year. The only way to protect our work is to be able to do the work!

City of Johnstown Plumbing test is scheduled for Saturday, January 27, 2018 at the East Region JATC. If any Journeyman is interested in the Journeyman or Master License, call the JATC office to register for this test.
