

# JATC TRAINING DEPARTMENT

## OCTOBER 2018

### Backflow Recertification

A Backflow Recertification class has been scheduled for October 17, 2018 and will take place at the West Region Training School at 6:00pm. Letters have been sent out to those members whose certifications will be expiring.

### Weld Test \*\*\*Get your requests in\*\*\*

A weld test has been scheduled at the East Region Training School on October 20, 2018 at 8:00am; open for any weld test. Kiewit will be present if interested in taking the UA-69 or UA-101. Please be sure to have a weld test registration in our office.

### CADD Classes

We will be conducting a CADD class every Tuesday evening from 6:00pm-9:00pm starting October 23<sup>rd</sup> thru November 20<sup>th</sup> at the West Region Training School. If you are interested, contact the JATC office to reserve a seat.

### Weld Test

Will be held at the West Region Training School on October 27, 2018 at 8:00am. Kiewit will not be here for this one!

**November 6, 2018** – The East and West Region Training Schools will be closed. No excuses you couldn't get to the poles. As every election is important, this year is no different.

**Get out and support the candidates that support organized labor!!**

### Medical Gas Installer Recertification

Recertification classes have been scheduled for November 8, 2018 at the East Region; and, November 14, 2018 at the West Region. Both of these classes will start at 6:00pm.

### Fifth Year Apprentices – East Region

Your Medical Gas Installer/Brazer Exam will take place on November 19, 2018 at 6:00pm.

### Fifth Year Apprentices – West Region

The EPRI Rigging Exam is scheduled for November 20, 2018 at 6:00pm.

### Reminders

- In order to have a valid Medical Gas Certification, you will need to have both the Installer and the Braze. Over the year, a few members failed to keep the braze continuity up-to-date. On Saturday, November 3, 2018 at 8:00am, we will be having a braze test at the East Region Training School if interest. Please call the JATC office to sign-up in order for us to have the proper paperwork ready.
- RMD Welders – we currently have 27 members in the Local Union that have the UA-101. ***We need more... The UA needs more!!!*** The Training Schools are open Mondays through Thursdays 6:00pm-9:00pm. The East Region is open the second Saturday of the month. Get it so we don't lose it.

### Applications

Local Union #354 will be taking in a new class next spring. If you know a good candidate, please have them apply. All the necessary requirements can be found on our website [www.lu354.com](http://www.lu354.com)
