International Credit Union Day®

On October 18, 2018, join your global credit union family as we celebrate the 70th anniversary of ICU Day!!

International Credit Union (ICU) Day® has been celebrated on the third Thursday of October since 1948. The day is recognized to reflect upon the credit union movement's history and to promote its achievements. It is a day to honor those who have dedicated their lives to the movement, recognize the hard work of those working in the credit union industry and show members our appreciation.

This year, ICU Day® will take place on October 20th. We hope that you will be able to stop by the office that day as we will have snacks and give-a-ways.

Just a reminder for members of Plumbers & Pipefitters Local 354 who have opted for automatic dues deduction.....

Quarterly dues will be deducted after we receive the monthly payroll deposit in September.

A reminder to our members....

If you would like to transfer funds electronically to your Credit Union account from another financial institution or from your Credit Union account to another financial institution, please notify us no later than noon the day before you would like the funds to be available to you.

We would like to inform our members that the Supervisory Committee will be verifying and mailing September's monthly member statements in accordance with the National Credit Union Association's (NCUA) rules and regulations. Any questions regarding your statements should be directed to Thomas O'Barto, acting Supervisory Chairperson.
