

UALU 354 Federal Credit Union

Not for Profit, Not for Service, But for Charity

Youth Month

The Credit Union will observe Youth Month this April. The Credit Union grants three awards to young members of the Credit Union annually. Two members will receive a \$50 award and one member will receive a \$100 award. <Reed Hayes> All young members age 12 and under are automatically registered for the drawing. The winners will be notified by mail and also announced at the Annual Banquet & Meeting.

The Pennsylvania Unclaimed Property Law requires that if an account remains inactive for a period of 3 years, the Credit Union is liable to turn the funds over to the Treasury Department of the State by April 15th. Your Credit Union does not want to have to do this. This can be avoided by making a small deposit or withdrawal from your account. Please call the Credit Union at 724-925-9354 if you have any questions and we will be glad to assist you.

Office Closings:

April 19- Good Friday

April 22- Easter Monday

Remember, if you see your name "hidden" in the newsletter, call the Credit Union and we will deposit \$5.00 into your account.

Annual Banquet & Meeting

We are proud to announce that the Annual Meeting will be held at DeNunzio's Italian Restaurant at the Airport in Latrobe on Saturday, April 27, 2019. At the meeting, we will hold elections for the Board of Directors. The Nominating Committee is pleased to announce the Incumbents to the Board of Directors this year are Brent Watkiss, Carl Jones and Bill Ivory.

We will also announce the winners of the Pauline Kriston Scholarship, Youth Month, and the TV drawing. All members in attendance will receive a gift. And you can also enter to win the 50/50 drawing. <Christian Yoder> Reservations slips are enclosed with this month's quarterly newsletter. We hope to see you there!

A reminder to our members...

Many of our members have taken advantage of purchasing life insurance coverage through CUNA Mutual Group and have elected to have their quarterly premiums paid directly from their Credit Union accounts. <Gregory McKlveen> We would just like to remind those members that it is their responsibility to make sure funds are available in the account at the time the premium is deducted.
