

# JATC TRAINING DEPARTMENT

**Built Rite Classes** will be held at both Training Centers; East Region – October 23, 2019 at 5:00pm, and West Region – October 24, 2019 at 5:00pm. This certification is needed to work in the Philadelphia area and is only valid for one year.

**REVISED - OSHA 10 Classes** will begin on November 7, 2019 at the East Region from 9:00am-3:00pm, and November 8, 2019 at the West Region from 9:00am-3:00pm. If interested you would need to attend both days. If you have a valid OSHA 10 card, it does not expire, but lately some companies and/or the customer want employees to have an OSHA 10 in the past 3 or 5 years.

OSHA 10 and OSHA 30 can also be taken on-line.

**Weld Tests** will take place at the East Region on the following dates:

Tuesday, October 22, 2019 at 5:00pm - Dave Constantino will be the ATR/CWI;

Monday, October 28, 2019 at 5:00pm - Mel Deneen will be the ATR/CWI; and

West Region will take place on Saturday, November 9, 2019 at 8:00am - PJ FitzGerald will be the ATR/CWI.

If interested, please complete a test request and get it sent to the JATC. These forms are at both schools and can also be printed from our website [www.LU354.com](http://www.LU354.com) under forms. At this time, we have no requests on file at the JATC office.

**Medical Gas Recertification Classes** for those members that will be expiring in November will be notified via mail.

There will be a refresher class at the East Region on November 6, 2019 at 5:30pm and the computer-based test will take place on November 13, 2019 at 5:30pm.

The West Region will have only the computer-based test on November 14, 2019 at 5:30pm.

**Milwaukee Tools Representative Alex Patchin** will be at the schools to demonstrate the newest tools and safe operations. This is mandatory for all 1<sup>st</sup> and 2<sup>nd</sup> Year Apprentices as well as open to all members. Foreman, this would be a good time to stop in and meet the rep for our area.

West Region – October 17, 2019 at 6:00pm

East Region – November 13, 2019 at 6:00pm.

**Special thanks to the guys that participated in the PA Pipe Trades Softball Tournament this year!**
