CHAD E. MORRISON

BUSINESS MGR. & FINANCIAL SEC' T-TREAS.

PHONE: 724-925-7238

FAX: 724-925-6904

Brothers and Sisters,

Starting January 2025, we are using a new collection agency called Mobile Medical for our yearly drug tests. We would like to make this transition as easy as possible, so we are providing you with the information you will need to schedule your first test. After your initial test with Mobile Medical, they will send out yearly reminder texts and/or emails to inform you when you are due.

At your leisure, please contact **Mobile Medical at (412)835-8358** any time Monday – Thursday 8am to 5pm or Friday 7am to 5pm to schedule your drug test. At the time of the phone call, you will need to provide your last name and the last four of your SSN. You may also email Destiny (dhalerz@mobmed.com) as a second option. The team at Mobile Medical will update all your information and then help you schedule your test at one of the closest facilities. Once you are scheduled, you will receive a one-time QR code to use when you enter the facility. The QR code will last 7 days. Once your testing is complete, you will receive a copy of your drug card via text and/or email within the week. You will NOT receive a hard copy of your card. Be sure to save your card on your phone or print out a hard copy to keep on hand.

If you are prescribed a maintenance medication, please notify the team when scheduling and allot yourself a testing period of about 7-10 days prior to any job you are starting. Notifying them ahead of time about your medications will allow them to correct any positive results.

We have also provided you with a list of testing facilities within our jurisdiction. You can use any location near you.

Please contact the Local or Mobile Medical with any questions regarding the changes and or procedures.

Fraternally,

Chad Morrison

Business Manager

Financial Secretary-Treasurer

THERE IS NO SUBSTITUTION FOR UNITED ASSOCIATION SKILLED CRAFTSMEN

Composed of journeymen and apprentices who have jurisdiction over every branch of the plumbing and pipefitting industry
